SUMMER CAMP

The Edmonton West Zone Soccer Association is committed to developing players to their highest potential. This will be our 14th year of providing quality summer camps. We follow the principles of long term athletic development which encourages sports for life.

Our lead instructors have played University or College soccer. Focus is on fundamentals, technique, agility and games.

The camps are designed to help U4-U15 players of all levels of ability to reach their soccer goals.

Emphasis is on having fun!

Camps are run outdoors. In the event of inclement weather we will move indoors to the St. Francis Xavier Sport Center.
