RAIN OUT & AIR QUALITY RESCHEDULING PROCEDURE

When a game is rained out due to the City of Edmonton (or out of town rain out line) closing the fields, or the referee called the game due to inclement weather/air quality, it will be up to the coaches to reschedule the game amongst themselves.

NOTE: ALL TEAMS MUST SHOW UP TO SCHEDULED GAMES UNLESS SPORTS FIELDS ARE CLOSED. The game sheets must be signed by referee.

Step #1: The HOME TEAM contacts the opposing coach to come up with an agreed upon rescheduled date.

If the new date is not worked out by team officials notify Chris at stats101@shaw.ca and he will reschedule the game to a date chosen by the EMSA office.

Step #2: Once a date has been agreed upon, the HOME TEAM is responsible for emailing the Chris at stats101@shaw.ca to confirm a field.

Step #3: The HOME TEAM is then responsible for contacting the appropriate referee director.

REFEREE NO SHOW RESCHEDULING PROCEDURE

If your center referee is a no show for your game, please try and give your Referee Assignor a call and if they are able to answer the call he/she will try to send someone your way. If you are unable to get a hold of your Referee Assignor or he/she is unable to send you a referee, you may have someone who is present ref your game as long as both coaches are in agreement on the person. If you start the game with a substitute referee that means that both coaches have agreed and there can be no argument after the game because the coaching staff did not like how the substitute referee handled the game. The game will stand as is. Please make a note on the game sheet and have both coaches sign their name beside the note to indicate they have agreed on the substitute referee.

If you wish for the game to be rescheduled, both teams must leave the field of play. YOU MUST NOT PLAY ANY TYPE OF EXHIBITION OR SCRIMMAGE. IF ANY TYPE OF GAME IS PLAYED THE GAME SHALL BE CONSIDERED VALID AND THE SCORE WILL COUNT IN THE STANDINGS.

If rescheduling is necessary refer to the above steps for rescheduling.

RESCHEDULED GAMES

*Once the game has been confirmed by Chris, if one team fails to show for a rescheduled game then that team will lose by default. If both teams fail to show for a rescheduled game, the game will go down as not being played, no stats or points will be awarded and the game will not be rescheduled.

ALL RESCHEDULED GAMES MUST BE COMPLETED within three (3) weeks of the original scheduled date. If there is less than three weeks left on the schedule you must have those games completed prior to your last game on the schedule. If the game does not get played within the three week deadline or before the last game on the schedule (if there are less than three weeks left) then it will go down as not being played, no stats or points will be awarded.
