

# ASA ROSTER: What?

## *(Official Registered Team List)*

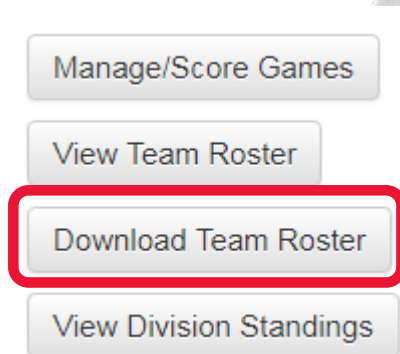

Your ASA (*Alberta Soccer Association*) roster shows all the players and team officials registered to your team.

Players not showing on your roster CAN NOT participate in games/practices unless they have the completed trialist paperwork, and are currently registered in EMSA.

**Please check your ASA roster throughout *(beginning/middle/end)* the season. If you are missing players or team officials please contact your Age Director.**
