U4-U11 Community Soccer Season Update 2021

The EMSA West Executive Board of Directors met to discuss our zone run program of U4-U11. The conclusion was that we do not foresee a U4-U11 program running in June.

U4-U11 start date **July 5th** (6-week program)

At this point, the program is based on 8 players & 2 Coaches, Training only.

Group Size Group size is limited to 8 Players & 2 Coaches/Trainers. Training Activities 8-and-2 Training is limited to physical distancing training within a group setting. No games, scrimmages, or contact play is permitted. Only skills and/or conditioning that allow for physical distance requirements to be maintained at all times are permitted. No circuit-style training is permitted.

The program may change closer to the start date, and we will have a clearer understanding of the guidelines from the Alberta Soccer Association (ASA) & AHS/Government of Alberta.

If you are still interested in participating in the program mentioned above and are requesting to be with a specific coach, please contact them to see if they are still participating.

For payment on the program mentioned above, please email soccer@ewzsa.com with your child's name and a contact number by June 1st. Once you have committed to this program, there will be **no refunds**.

If you are not interested, we kindly ask you to reply to this email asking to cancel your child's registration for this season.

Best regards,
